

## INFORMATION TO THE PARENTS ABOUT REGISTRATION TO PRESCHOOL

**REGISTRATION TO PRE SCHOOL 3.-16.2.2020**  
PRE SCHOOL EDUCATION IN RAUMA CITY AND  
IN PRIVATE ENGLISH KINDERGARTEN AND IN PRIVATE RAUMA FREINETSCHOOL

Welcome to registration to preschool!

Registration to preschool is via the online service of Wilma.

Wilma IDs are used in preschool education and in basic education.

In addition to preschool education, the day care required will be organized in the same place as the preschool. If the child needs day care in addition to preschool, the day care place needs to be applied with a daycare application.

**In the autumn of 2020, the children starting pre-school children are born in 2014.**

Preschool begins on 17<sup>th</sup> of August 2020 and ends on 31<sup>st</sup> of May 2021. Preschool education is regulated by the Basic Education Act, which makes preschool education binding (Articles 26a and 35).

Pre School education is free of charge and is given four (4) hours per day. Holidays are the same as school holidays. The child's attendance to per school is the responsibility of the guardian.

**To register your child to pre-primary education, go to Wilma**

**<https://wilmapk.rauma.fi/connect> and follow the instructions in the appendix.**

**The electronic registration facility is available from 3<sup>rd</sup> to 16<sup>th</sup> of February 2020.**

The required key code is (the code you'll find in the Finnish letter)

You can also register with a **paper form** that will be returned to the service point Pyyrman Valtakatu 2. The paper form you can get from Pyyrman and kindergartens.

**Name two (2) preschool wishes for the child.**

The early childhood education points the child's place in preschool education (section 6 of the Basic Education Act) in accordance with the criteria for assigning the preschool location approved by the Committee on Civil and Cultural Affairs on 26<sup>th</sup> of November 2019.

**The primary preschool place is the nearest preschool location to the child's address.**

A preschool place may be other than the one mentioned above if the child has a special health problem, the need for extended day care because of the shift work of both of the parents.

Please refer to the supplemental information in the registration form.

If a child's preschool is hoped to be other than pointed by the address or a special reason, the wish is taken into account if there is place available in that preschool group.

Parents must in that case take care of the child's preschool transporting and they are not allowed to the taxi transport by Rauma.

Day care for evenings, night-time and weekends are arranged in the new Papinpellon vuoropäiväkoti of in Lapin koulu preschool (possibility to the evening day care mo-fr)

**INFORMATION TO THE PARENTS ABOUT REGISTRATION TO PRESCHOOL****APPLYING FOR DAY CARE IN ADDITION TO PRESCHOOL****Municipal day care:**

In addition to preschool the required day care starting 17.8.2020 must be applied separately.

An online day care application can be found at

<https://www.rauma.fi/kasvatus-ja-koulutus/varhaiskasvatus/varhaiskasvatukseen-hakeminen/> In addition to preschool education, the day care needed is arranged in the same place as the preschool.

The application is for preschool part-time day care ( esikoululaisen osapäivähoito )

When making preschool groups we cannot take it into account the applications of the siblings .

That's why we cannot guarantee that the smaller siblings will get a place in the same kindergarten as the child starting the preschool.

The application period for early childhood places for children from 1 year to 5 years is 2.-15.3. The day care groups are formed in the spring.

**Day care in private kindergarten:**

You cannot apply for a private kindergarten with a daycare application of Rauma City, instead both private kindergartens have their own daycare application.

**Decision about preschool and / or day care place**

Decisions about preschool will be sent to the families by post before 24<sup>th</sup> of April 2020. Day care decision is found in eAsiointi if parents have chosen electronic service.

In the decision you will be informed about the regulations to right to taxi transport and how to apply for it. Transport is mainly not possible to those children who are also in the day care.
