

## EARLY CHILDHOOD CUSTOMER FEE AGREEMENT

The early childhood customer agreement is valid for an indefinite period, however at least three (3) months. The agreement may be changed for a justified reason (change of family situation, longer-term lay-off, unemployment, change of job, study, etc.). Customer fee is determined based on the agreement.

Guardians fill in their required early childhood education time online at [www.rauma.fi](http://www.rauma.fi). (eAsiointi) Online reservation will close at noon (12:00 o'clock) on the Monday before the week in question. If the need for early childhood education reserved or realized exceeds the number of hours per month in the customer agreement, the fee will be collected by the hours reserved / realized for the month in question.

The change to the agreement will take place at the earliest from the beginning of the month following the return of the agreement form. The City of Rauma has the right to change the customer payment agreement and payment if the overrun is repeated for two consecutive months.

### CHILD'S INFORMATION

Child's name	Finnish ID number
Kindergarten and the group of the child / name of the child minder
