

INFORMATION TO THE PARENTS ABOUT REGISTRATION TO PRESCHOOL

REGISTRATION TO PRE SCHOOL 7.-20.2.2022

PRE SCHOOL EDUCATION IN RAUMA CITY AND

IN PRIVATE PIKKUNORSSI KINDERGARTEN AND IN PRIVATE RAUMA FREINETSCHOOL

Welcome to registration to preschool!

Registration to preschool is via the online service of Wilma.

Wilma IDs are used in preschool education and in basic education.

In addition to preschool education, the day care required will be organized in the same place as the preschool. If the child needs day care in addition to preschool, the day care place needs to be applied with a daycare application.

In the autumn of 2022, the children starting pre-school children are born in 2016.

Preschool begins on 10th of August 2022 and ends on 31st of May 2023. Preschool education is regulated by the Basic Education Act, which makes preschool education binding (Articles 26a and 35).

Pre School education is free of charge and is given four (4) hours per day. Vacations are the same as in basic education. The child's attendance to per school is the responsibility of the guardian.

To register your child to pre-primary education, go to Wilma

<https://rauma.inschool.fi/connect> and follow the instructions in the appendix.

The electronic registration facility is available from 7th to 20th of February 2022.

The required key code is (the key code you'll find in the Finnish letter attached)

You can also register with a **paper form** that will be returned to the service point Pyyrman

Valtakatu 2 or by email to varhaiskasvatus@rauma.fi

The paper form you can get from service point Pyyrman and kindergartens.

Name two (2) preschool wishes for the child.

The early childhood education points the child's preschool education place (section 6 of the Basic Education Act) in accordance with the criteria for assigning the preschool location approved by the Committee on Civil and Cultural Affairs on 24th of November 2021.

The primary preschool place is the nearest preschool located to the child's address.

A preschool place may be other than the one mentioned above if the child has a special health problem or the need for extended day care because of the shift work of both of the parents.

Please refer to the supplemental information in the registration form.

If a child's preschool is hoped to be other than pointed by the address or a special reason, the wish is taken into account if there is place available in that preschool group .

Parents must in that case take care of the child's preschool transporting and Rauma does not provide them free taxi transport.

Day care for evenings, nighttime, weekends, and preschool takes place in Papinpellon vuoropäiväkoti.

In Lapin koulu preschool is the possibility to the evening day care from Monday to Friday.

INFORMATION TO THE PARENTS ABOUT REGISTRATION TO PRESCHOOL**APPLYING FOR DAY CARE IN ADDITION TO PRESCHOOL****Municipal day care:**

In addition to preschool the required day care starting 10.8.2022 must be applied separately.

An online day care application you can find at

<https://www.rauma.fi/kasvatus-ja-koulutus/varhaiskasvatus/varhaiskasvatukseen-hakeminen/> In addition to preschool education, the day care needed is arranged in the same place as the preschool.

The application is for preschool part-time day care (esikoululaisen osapäivähoito).

When making preschool groups we cannot take it into account the applications of the siblings .

That's why we cannot guarantee that the younger siblings will get a place in the same kindergarten.

The application period for early childhood places for children from 1 year to 5 years is 28.2.-13.3.2022

The day care groups are formed later in the spring.

Day care in private kindergarten:

You cannot apply for a private kindergarten with a daycare application of Rauma City, instead both private kindergartens have their own daycare application.

Decision about preschool and / or day care place

Decisions about preschool will be send to the families by post before end of April 2022. Day care decision is found in eAsiointi if parents have chosen electronic service.

In the decision is information about the regulations to right to free taxi transport and how to apply for it.

Transport is mainly not possible to those children who are also in the day care.
